Dirty minded? Good, then you sound just like our type! Why not drop us an email and tell us what's been ringing your bell this month – or otherwise – you can just send us a little message telling us how much you love the magazine!?

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

I think I met Tiffany James' twin sister last night! She was blonde, just like Tiffany, with the best titties, just like hers, and her face looked so much like Ms. James' that, at first, I thought it was her! That's why I went up to her.

"Are you Tiffany?" I asked, but she looked at me like I was from outer space! (So maybe it wasn't her after all...). "Sorry, sorry," I said, explaining that I thought she was a model, and that got her attention.

"Tell me more about this model?" she said, so I did!

I told her all about Mayfair magazine and how sexy Tiffany James was and she didn't bat an eyelid. So I bought her a drink and, Bob's your uncle, at the end of the night, she came home with me.

"Show me some of the magazine with this model in?" she said, so I got out last month's issue of Mayfair and showed her the pictures. After flicking through the mag for a while she stood up and proceeded to take off all her clothes. Then she lay on the floor and began to pose as if she was in front of a camera. "Tell me, do I turn you on as much as your girlie mags?" she questioned me, and I told her that I would burn every mag I had right there and then if she asked me to (hey, I was about to get laid by a bird who looked like you, forgive me!).

"Come and lick my pussy then, you dirty dog," she said and I dived right on in!

"I bet you've always wanted to fuck this woman in your magazine, haven't you?" she said. "Don't you want to fuck her good and hard? How do you want to take her? Do you want to fuck her like a dog, down on her hands and knees? Do you want to cover her tits in come? No, you want to shoot your jizz onto her face and mouth, don't you?" she said, frigging her clit and pushing my face into her snatch. I told her yes, I did want to fuck you from behind and that I also wanted to spunk onto your face and your tits! "then take off your clothes and fuck me like you've always wanted to fuck her!" she said and I stopped lapping at her cunt and stripped off, watching her as she turned onto all fours and rubbed her fingers over her cunt, reaching around her arse to get in there. My dick eased into her tight pussy and then she shouted that I should fuck her as hard as I liked because that's what she loved.

So I slammed my thick, fat, meat up her good and fast until I was ready to shoot my load and she flopped onto her back and let me stand over her, wanking my prick into her face. I unloaded my spunk all over her, onto her tits, her face, her belly, down onto her pussy, and then watched her as she took my come and rubbed it vigorously against her clit until she was shouting down my house with her own orgasm!

After that, she got dressed, said thanks and left!

Dear Mayfair,

I came home from a night out and found my flatmate's girlfriend waiting for him. She was sitting in our front room, pretty drunk, the only person in the house. She was sitting back on the sofa with her legs spread, rubbing her pussy through her red satin knickers,

Dear Mayfair,

I loved Emma Green's photo shoot in last month's issue of Mayfair magazine. I think she's got one of the neatest and smoothest pussies I've ever seen. I'd love to think that it's nice and tight too. What I can't get over is how lucky the guys are that work in your offices, getting to see models like Emma strolling around on a day-to-day basis. They're so lucky.

Lewis, Barnstable.

oblivious to me. I stood in the doorway for a bit, watching her, my dick growing harder and harder.

I knew I should have said something, but I'd always thought my mate's bird, Celine, was a sexy bitch and it felt like this was the closest I was ever going to get to fucking her. Fuck knows where my mate was, and at the time I didn't care, I was loving every minute of this hot little 22-year-old's sexy frig show way too much.

Just so you know, she's about five foot five, with tight curls that flow down past her shoulders and a really fit little hard-body with these nice little, perky tits that I had often imagined sucking on.

So, I was standing there, watching the damp patch spread through the crotch of her knickers as she teased herself, rubbing my own hard lump through my trousers, when she suddenly opened her eyes and stared straight fucking at me.

For a split second we looked at each other, both of us terrified that we'd been caught, and then a marvellous thing happened. Instead of closing her legs and running from the room, Celine carried on toying with herself, only now she knew she had an audience, she really played up to me.

Before, she had just been tracing a finger round her lips, but now she pushed her finger between her pussy lips and poked her knickers up her cunt a little, making sure I could see exactly what she was doing. Then she pulled her panties out of her wedge and licked her fingers as I eyed up her soaking wet crotch.

Without looking up at me, she pulled her panties to one side and let me see her young, shaven gash. It was so wet it shone under the glare of the living room light. Celine used two fingers of one hand

Dear Mayfair,

I just had to drop you a line to say a big 'thank you' for the selection of girls you managed to assemble for the last issue (57.07). As soon as I saw Amber Starr in her kinky Santa outfit on the cover I knew I was in for a treat, but when I saw that you'd opened the mag with the divine trio of Emma Green, Tiffany James and Emma Leigh I really didn't know where to blow my first load! Three sets of perfect boobs, three cracking arses and the absolutely delicious looking pussies to feast my eyes on! Just when I thought the mag couldn't get any better, I came across (quite literally, before long) the sight of Suzi Star's wonderful tight little body. That picture of her on page 39 has probably ended up receiving more attention than even Zara Mae or the opening trio, Suzi really is a tease by not letting us see that pussy of hers. Can't wait for next month's issue.

Liam, Lowestoft.

Dear Mayfair,

My girlfriend is a little bit out there, but she blew my mind last night when she came home a little bit worse for wear after going out on the razz with some of her mates.

One of them had given her a comedy cock-shaped candle, it was about 10 inches long and about three inches across and she staggered into our front room and started waving it about at me. Laughing and asking me what I thought of it.

I didn't really think much, I thought I'd end up having to put her to bed and undress her, or worse, clean up after she'd showered the bog in spew! But when she sat down on the sofa next to me, raised her skirt and began to rub the candle against her clit through her knickers, I start-ed paying serious attention.

"Is this turning you on?" Jennie asked. "Because it's turning me on. Would you like to try it out on me?"

I didn't need to be asked twice about that – she's never shown any interest in dildos and vibra-tors before so this was a chance to show her how much fun sex toys can be! But first, I wanted to see how far she'd go on her own. "Why don't you show me what to do?"

I said, knowing full well what to do but hoping she was drunk enough to miss that little point.

"I pulled my cock out and wanked myself off furiously and shot a great stream of muck onto her watery titties, coating her globes with my cock batter."

Jennie wriggled out of her knickers and rubbed the candle along her slit. She was quite wet and the waxy head slipped through her cunt lips and left her gaping open. I took a seat opposite her to get a better view and loved every minute of it. She didn't need any encouragement to fuck herself with this candle-cock as, moments before I was going to tell her to stick it inside her twat, she eased the thick shaft between her lips and slid it in. Her eyes were closed and she had her fingers jammed up against her clit. I had two options open to me: sit tight and watch her come, in which case I might not get my jollies, or get over there and get involved in the fun.

You can guess which option I went for! I knelt on the sofa next to her, my hard cock in my hand, waving it near her face. "Here," I whispered, "how about one at both ends?" Jennie willingly snaffled my dick up, coating it in saliva and wanking my shaft as she licked and sucked my hel-met and I realised that this was the ideal time to blow my wad in her face and get away with it!

So instead of pulling out at the crucial moment and cooling off, I stayed where I was and let her suck on me manhood, waiting for her to

Continued on page 14

to part her lips, and with the other hand she slipped a finger gently inside her snatch, twisting it around and around and thrusting it in and out until her finger and much of her hand was covered in her sticky juices.

Then she took her finger out of her drenched cunny and sucked greedily on her goo.

That was it for me, I had been toying with my cock inside my trousers and I couldn't stop myself from coming in my pants. Celine looked up at me just in time to see my come

face (I must have looked like a demented gargoyle) and, once I had finished, she closed her legs and stood up to leave the room. When she walked past me she stopped suddenly and turned to face me.

"Let's never mention this again," she said, and I nodded dumbly. But I had to tell someone and I knew you'd get a kick out of it!

Daisy May

Daisy May made her Mayfair debut a couple of years back and look at her now, she's the new Editor-In-Chief for Mayfair magazine for 2025! "What an honour it is to spear-head such a prestigious magazine, who would have thought something like this would happen?" Us for a start! The first time we laid eyes on you we knew you were something special, and the fan's reaction to you speaks volumes. In their eyes you're the full package. "They get to see me in me fully bare and vulnerable, I wouldn't mind seeing some of them in their rawest state. If they search hard enough in the magazine they can find my email address!"

bring herself off with her giant candle.

Every time I felt myself close to the edge, I would pull my dick out of her gob and slap it around her face a bit, but even that didn't sober her up! Then, when she was just bringing herself off and her candle thrusts had become harder and more jagged, I wanked my dick off as hard as I could and unleashed a torrent of hot spunk into her open-mouthed face! As I had hoped, this just turned her on even more and once she had finished with the candle she demanded that I took her upstairs and fucked her until she'd come again!

Man, isn't it great when your bird gets a bit pissed and acts all slutty!

Dear Mayfair,

I have only one testicle, but it doesn't stop me getting plenty of pussy! In fact, I often get my end away because of it! You see, I just make sure every girl knows I have a big cock and one bollock and they just can't help but be interested in seeing it all. And the only way they get to see it all is to come home with me. Not that I don't let them have a bit of a feel under the table in the pub...

The other night, I had four wee girlies groping my packet in my local boozer. One of them, Andi, loved it so much she kept begging me to get it out and let her see ma one ball. I set her straight – you can touch but you can't look unless you're coming home with me. So she got ma coat and told me to down my pint and take her home.

On the short walk back she kept rubbing her hands over my crotch, gagging for some thick, hard cock action. No sooner had we got through the front door, she was pulling at my button and fly, wanting to get it all out. Well, if that's what she wants, I was thinking, that's what she can have, and I helped her fish ma tackle out.

The look on her face told me that she loved what she saw and, sure enough, she started kissing my helmet like a long lost lover. She chugged down on my cock, taking it as far as she could, which wasnae that far, and wanking its base slowly and lovingly.

Pushing my prick up and out of the way, she took my one bollock between her lips and sucked it softly into her mouth, letting it rest on her tongue as she carried on wanking my meat.

We didn't even get out of the hall; as she stood and turned to go upstairs, I reached out for her peachy arse. Wrapping my arms around her, I kissed her neck and fondled her tits before unbuttoning her tight white jeans and pulling them down over her wide hips.

Andi bent over the stairs and I rubbed my cock around her cunt, creating a nice damp patch in her pink panties. "Come on, Jon Jo, stuff that fat prick of yours up ma pussy, I've been needing a right hard fucking ever since I woke up this morning with ma pussy all wet," said Andi, waving her arse and cunt at me and my cock. Then I pulled down her knickers and thrust my dick up her tight, warm snatch.

She gave as good as she got, bucking back against me with every shove, and I held her tightly by her hips, pulling her onto my shaft.

"Come on my tits, Jon Jo," she said and I wasn't gonna refuse her! When I was ready to unload, I pulled my cock out and she turned and sat on the stairs. I wanked myself off furiously and shot a great stream of muck onto her watery titties, coating her globes in my cock batter.

"God, Jon Jo, I never would have thought you could make so much lovely come with just one bollock!" Andi said, scooping up her prize and licking it off her fingers. That's right, they never believe a man can make so much jizz with just one nad, but I'm glad to be able to prove them all wrong!

Dear Mayfair,

It was great to see Olivia Berzinc back in the magazine, it must have been at least three or four years since we were last lucky enough to see her. Who would have thought that someone as exotic as her would hail from Derby, not that there's anything wrong with that. I'd travel anywhere to meet her, but maybe a nice secluded island with a strict policy of nudism on the beach would be the perfect place to have a get together! Oh, and it's just the two of us!

Andy, Fareham.

Dear Mayfair,

I am writing to express my huge appreciation for the true Sex Goddess that is Zara Du Rose (Mayfair 57/06). In all the time I have bought this and many other girlie mags, I have never come across such a sexy set of pictures, or a sexier model, which, you should agree, is saying something. Her underwear, her gorgeous flaming red hair and naked body make Zara built for sin and have had me wanking wildly over her images ever since. I also love her sexy attitude, and comments about how she loves having a guy alternate between fucking her in the pussy and the arse really got me going. She could have my huge cock for all eternity!!! Please pass my comments on to her and please feature her again in the very near future. I am a happily single and handsome man, and I can spend hours on end wanking over Mayfair (plus other Paul Raymond mags), visiting strip clubs, meeting sexy like-minded ladies for fucking, viewing adult content, and indulging in phone sex. Yes, I am incredibly perverted, but I would not have it any other way.

Delia Rose

We love London-based Delia Rose over here at Mayfair, and it's easy to see why, but what has she been up to since we last saw her? "I've been doing my usual thing, flying back and forth to New York, First Class of course. There's just so much to do out there and the Yanks just love a hot girl with a thick British accent!" So, you've been enjoying spending time with the locals out there then. "Spending time is a very loose term. Let's just say I've been having a very enjoyable time on the other side of the pond, and so have the gentlemen I've stumbled across, and climbed on top of!"

Amy Green

Good gracious, Amy certainly has been cranking up the heat when recently she caused an inferno on set. We caught up with the 32-year-old from Sheffield and managed a quick chat between snaps. We hear you don't mind a kick around with the lads? "Well, who could resist all those taught muscular bodies running around." We quite agree, hence why we've started watching the Women's League but be vigilant chaps it looks like Amy's after your balls!

Honour May

Find your way...

The only things in life that are certain are death and taxes, oh and of course the indisputable charms of Honour May, whose near-certain trouser straining reaction has left many a man ruddy-cheeked with enthusiasm. So we'd advise you take a deep breath when you proceed, as Mayfair has an intimate encounter with Miss May, and we are more than happy to share it with you.

Felicity Stewart

If you're a fan of fifties and sixties films then 22-year-old Felicity Stewart might look familiar.

Hardly a day goes by with-out some cinema buff stopping her in the street and asking, 'Aren't you...?' Her reply is immediate. 'Kim Novak? No, sorry.' At first Felicity was slightly insulted since she wasn't even born when Kim Novak was making it big on the big screen, but then her attitude changed. 'So many people said it that I made sure I saw Vertigo next time it was on television - and Kim was beautiful. Now I feel it's quite a compliment, even if she is at least twenty years older than I am.' In fact it was that sudden confidence in her appearance that launched 34-23-34 Felicity into a modelling career.

Up here in Durham, the girls don't think of modelling for a living,' Felicity remarked. 'That's for the slick Londoners, they say, but they're wrong.' Not that she spends all her time in front of the camera, through choice she also works as an interviewer for an employment agency. 'I'd miss meeting the people if I gave it up completely. I keep a very firm grip of my roots. I'd hate to come home one day, and find everyone thinking, "What a pretentious cow!"' Down-to-earth she may be, but Felicity does like the finer things of life. 'Just occasionally I treat myself to champagne and seafood, my favourite way of pampering myself,' she said. 'Then it's back to fish and chips before I'm hooked on the flavour.'

If Felicity's lifestyle seems almost schizophrenic, then her taste in men is equally diverse. 'I like any man who can make me laugh. All that talk about men having to have small bums is ridiculous. So long as they have a sense of humour, they can be built like the proverbial brick – oh sorry, I'm sure that's not the sort of language a Mayfair girl would use.' Felicity is just as frank about what she likes her men to do. 'I think foreplay is much more enjoyable than the act itself,' she claimed. 'Even the biggest, butchest guy can have sensitive lips, and it's lovely to find them roaming all over you. Oooh, I'd better stop. My imagination's running wild.

" Be honest, can you tell they're extensions?"

Jamie Knight

The Burj Al Arab hotel in Dubai is the only 7-Star hotel in the world, but we'd much rather be attended to by Jamie Knight! "I'd be the one putting the 'do not disturb' sign on the door and then I'd give you the full room service. What does that entail? Well, it would start with me entering the room in a slutty outfit and maybe giving you a blow job. It will all end with me bending over the bed and spreading my butt cheeks so you can fuck me in the pussy of arse!"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

I have this thing about getting fucked in hotel rooms. I'm not talking about checking in with a girl and banging her silly for the night. No, what I'm on about is screwing hotel staff – I mean those little sorts that service the rooms. While most people might find their starchy uniforms a real turn-off, I really get turned on by the contrast between them and what's underneath them. Whenever I see a promising example, I always mentally undress her, and imagine her with my cock wedged down her throat, or me buried up to my nuts in her pussy.

About a month ago I had what turned out to be my best encounter to date with one such female. Having checked in, I went up to my room, showered and put on the complimentary bathrobe. Then I flicked on the porn channel and started slowly stroking my cock. It was rock-hard in seconds, so I called room service and ordered something light. I wasn't hungry for food – it was cunt that I craved.

I continued massaging my tool until there was a knock on the door followed by, "Room service."

Holding the robe closed, I answered the door to a sexy dark-haired girl holding a small tray of sandwiches. "Come in," I said. "Just drop them down on the table, please." The maid did as I asked, and when she turned around I thought her eyes were going to pop out of their sockets. "Oh sir!" she exclaimed.

Silly me – I'd let my robe fall open, and my fat, swollen cock was jutting out of it.

"Oh, I beg your pardon," I said, putting on a show of struggling to cover myself up.

"No," said the maid. "It would be a shame to hide such a magnificent specimen." She pushed past me and closed the door. "Lie on the bed and lose the robe," she ordered. When I did so, the maid crammed my cock into her mouth.

She sucked on it hard and long, which felt so fucking amazing.

Still sucking my stiffy, she somehow managed to wriggle out of her uniform, revealing that she'd been stark naked underneath. I grabbed her swinging tits and started tugging hard on her nipples.

> "Her twat was so smooth it felt as though my cock was wrapped in wet velvet, and the horniest sensations started shooting through my body like an electric shock."

Ms. Maid gave great head, and it wasn't long before I felt the sap rising inside me.

I let out a low moan, to which she reacted by whipping my dick from her mouth just in time for me to spray her tits with my jizz.

When she went off to the bathroom to clean up, I thought we were done, and in my head I chalked up another one. But there was more to come. "You seemed to enjoy that," the sassy minx told me on her return to the bedside. "Well, that was just your starter," she said. "The main course is about to be served right now." The brunette goddess hopped up onto the bed and pulled herself up on all fours. Then she started shaking her arse and bucking her hips, smiling all the time she did so. "Come on then, stud," she said. "Slam your meat inside me!"

I got on my knees behind her and grabbed her by the hips. Then I pulled her backwards until the head of my cock was bumping against her sticky mound. When she pushed backwards sharply, the head popped inside her. She was warm and so, so wet. Then she pushed back again and completely engulfed my bone with her box. That was when

I really went to work on the filthy girl.

First, I reached around to squeeze her nipples, then I grabbed her hips again and started slamming in and out of her gash. Her twat was so smooth it felt as though my cock was wrapped in wet velvet, and the horniest sensations started shooting through my body like an electric shock. That made me drill her harder and deeper, faster and wilder. Before long I was on the brink of unleashing my load. Seconds later I did, deep inside the maid's cunt.

As the last few drops splattered her insides she started trembling all over.

Then the strangest thing happened.

Her entire body went stiff for a moment, then she slid off my hard dick, releasing a stream of warm cunt juice from her gaping hole. Now that's what I call good service!

I was intending to write to my ex boyfriend, telling him all about my new friend Evie. Adam would have liked Evie –her pale skin and long jet-black hair, her firm tits and svelte waist mushrooming into a curvy arse. Yes, he would have liked to have stuck his dirty double dealing dick deep into that bum. Then I decided not to waste any more precious pussy juice on him, and resolved instead to let the whole world know about Evie – starting with you lot!

Evie was my first ever internet date. Having made friends on a social networking site, we'd arranged to meet up at a gig in the real world. Our motives weren't sexual, but as soon as I met her, I felt my inhibitions melting. Evie was a lot of fun. She made me feel better about myself, and even didn't mind me bitching about Adam.

Evie looked electric in her low-rider jeans and semi-transparent crop top, while I'd resorted to rock chick chic with a leather micro-skirt and fishnet stockings. Slamming tequilas, we looked like we could take on the world. Evie's passion, she explained, was 'slash fiction' – erotic stories using characters from popular books or TV shows.

Bisexual, she told me: "Everything's up for grabs!" Evie certainly had a filthy imagination. As she talked about the men in the band, the tequila was giving me hallucinations of four grungy blokes gangbanging her. I felt dizzy and horny, and was only too pleased to

be invited back to Evie's flat.

"Amazing," was how Evie described the DVD I just had to see, and amazing it was! Evie was a star! There she was, on screen, on her back, legs spread-eagled, stroking herself as she sucked on a dildo. There she was, the same fit girl who was sitting next to me on the sofa, her hand resting on my fish netted thighs.

"It makes me so horny seeing myself on video," she purred as my knickers filled up with pussy cream. "Mmm – want to play?" she asked as her hand slid up my leg. I groaned as I parted my legs.

With her hand pressed against the V of my pants, our lips collided, and we began to devour each other.

Evie told me how beautiful I was, and convinced me by ripping a hole in my fishnet stockings. Her fingers bypassed the soggy crotch of my black mesh knickers, the ones with the pink trim that Adam had given me on the first night he gave me my anal wings. "I'll make you forget all about cock," she hissed as her fingers churned my twat.

When she withdrew her hand from my pussy, she licked my cunt cream from her fingers as I unfastened her bra. Her tits were gorgeous. I cupped them in my hands, then buried my face in her cleavage. Her nipples stiffened in my mouth. "It's bedtime," she panted.

Throwing me onto the bed, Evie stripped off her jeans, flashing a thong that had more or less disappeared up her arse crack. I wriggled out of my dress as Evie tugged at the remains of my torn fishnets before lasciviously peeling my pants down my thighs. I spread my pussy lips. I wanted her badly.

Evie crawled between my open legs and began to go to work on my minge, her tongue teasing my clit from its hood, then down she went into the depths of my swollen vulva. Starting to writhe, I clamped her head between my thighs. I was cumming. Then, as if to smother my grunts and groans, Evie swung her body around and plumped her clenched arse down on my face. "Lick it, you bitch!" she hissed, as she tugged her thong aside and ground her dripping snatch down onto my tongue. Her pungent pussy tang intensified my climax.

We lay on the bed, our perspiring bodies entwined, breathless from the relief of our frustrations, and we began to make proper love, our tongues exploring every inch of each other's body, nipples and clits like rugged islands in a sea of soft swollen flesh, disturbed only by the tremors of orgasm.

Sex with Evie was uncharted territory, a forbidden fruit, and the novelty was exciting. And just when I thought I was cured of my longing for cock, Evie produced her double-ended dildo.

I asked her to get her camera. I wanted a photo to send to Adam, a picture of two chicks with their own girl-cock, both of us simultaneously impaled on either end, thrusting back and forth in rhythm, orgasming in unison and having the time of our lives.

"Lick it, you bitch!" she hissed, as she tugged her thong aside and ground her dripping snatch down onto my tongue. Her pungent pussy tang intensified my climax."

I work in a health spa, and when my boss is away, one of my duties is to make sure everything's properly locked up for the night. One evening recently I took advantage of the fact by luxuriating naked alone in the swimming pool. Actually, I did more than that. Being the naughty minx that I am, I fingered myself to orgasm imagining a sexual encounter with my boss.

As I bobbed about in the shallow end, with two fingers of one hand deep inside my slit and two from my other hand massaging my clit, I let my mind drift and get lost in my fantasy fuck scenario. In it I was in the same situation, playing with my pussy after hours in the pool...

Suddenly I heard a door slam. Looking up, to my complete horror, I saw my boss, Dean. He didn't look at all angry, though.

Quite the opposite, in fact, judging by his wide grin. While it was obvious he was enjoying the show, to be on the safe side I stopped what I was doing and feigned horror. "Oh my God!" I said. "I'm so sorry! It won't happen again! Please don't fire me!"

"Fire you?" Dean said. "I'd rather fuck you!"

Turning on my actress skills again, I pretend to be embarrassed by his suggestion. "I'm really not that kind of girl, sir."

"Really?" he replied. "You could have fooled me, wanking yourself

naked in my swimming pool."

He was smiling when he said it, so I stopped messing with him and said, "Okay, guilty as charged. So – about that fuck you mentioned..."

In a flash, Dean was out of his clothes and standing over me, cock in hand. Now let me tell you, while for many girls, penis size may not matter, I'm completely size obsessed, and won't let a man inside my holes unless he's brandishing at least eight inches of sex pistol – and it has to be thick, too. Luckily for my boss – and me as well – he more than measured up.

"Sit on the edge of the pool," I said.

He did, and I turned around in the water so that my mouth was an inch away from his cock-head. I flicked my tongue teasingly against the tip until a pearl of pre-cum appeared. "Mmm," I said, before slipping the tip of my tongue in his hole to taste it. Dean shuddered, and I grabbed his cock by its base, wrapped my lips around it and slowly slid my mouth down it until my lower lip was nudging his sac. Then I wrapped my arms around the outside of his thighs, and started bobbing on and off his swollen member.

"God, you're good," my boss managed to say between groans.

Pulling my mouth off his gorgeous cock, I said, "I know, but now I want to know how good you are – so fuck me!"

I moved back so Dean could slip into the water. Then I turned my back on him to let him take over. He grabbed me by the waist and pulled me toward him. With his hands holding me afloat, he bumped his cock-head against my pussy slit. I was soaking wet inside as well as out, so my cunt lips parted and swallowed the first few inches of his fat dick.

Just as I was wondering how great it would feel to have his hugeness inside me to the max, he suddenly let me know, slamming me onto his knob and holding me there. Then, aided by my buoyancy in the water, he started moving me in a circular motion around his dick. The sensations created by having my cunt rotated on a man's dick were sensational. I felt as though every nerve ending in my body had been exposed, and I knew that if we carried on like this much longer, I was going to cum really quickly. Sure enough, mere moments later an orgasm hit me so hard I started splashing about in the water, my arms flailing wildly. My boss held me tightly on his cock as he too came.

In reality, having fingered myself to climax, I lay alone in the pool regaining my breath when suddenly I heard a door slam...

Lucy

British, big-boobed and blonde – if that's not a winning combination for a Paul Raymond favourite, then we don't know what is! So the only question is, why has it been so long since Lucy last appeared in the magazine, it must have been five years? "You tell me!" she laughs. "I mean, I guess I've been pretty busy, but I'm sure I could have made time for a Mayfair shoot!" Hmmm, looks like we're going to have to take the rap for this one then – still, better late than never, eh? And at least that gives us the excuse to catch up on lost time by seeing plenty more of Lucy in the months to come!
